Thanks Tristen, I will get the time frame but it would be great to have the councilman come out and welcome the residents to the event and maybe help present the green business award with my boss Enrique.

If we could do a conference call Monday or Tuesday before 12pm that would be great.

Much Appreciated,

Renée

Hi Renee,

It was such a pleasure to see you and get fully up to speed with CARE! I just wanted to follow up and coordinate with my District Director and our new Venice Field Deputy on arranging a conference call for Earth Day 2020 at Penmar Park in Venice.

Meanwhile, Renee, if you can give me a time frame and a description of his role at the event, I can try and reach out to our scheduler!

Thank you again for taking the time out of your busy day to meet with me. I look forward to continuing to collaborate with you!

Best,
